INFORMATION, NOT ADVICE

This presentation explains products and the partner concept. It does not replace individual financial, investment, legal or tax advice and is not a binding offer.

NO INCOME GUARANTEE

Commissions, bonuses and model calculations are not promises. Results depend on actual qualified sales, activity, costs, market conditions and the applicable terms.

RANKS, MATRIX & CHALLENGE

Qualification, active status, explicit participation, deadlines and confirmed purchases govern eligibility. Examples show potential, not guaranteed positions or payouts.

PRODUCTS & CONTRACTING PARTIES

Availability, scope, prices, vouchers and renewals depend on the specific offer. Rights and obligations arise from the contract with the respective provider.

CRYPTO & INVESTMENTS

USDC, tokens and NFTs carry price, issuer, technology and custody risks, including total loss. Investments require separate assessment; no guaranteed returns or stable value.

RESPONSIBILITY & TERMS

Partners must comply with local business, tax, advertising and privacy rules. Valid contracts, terms and plan rules govern; statutory rights remain unaffected. As of 31 Oct 2026.

Clear information. Independent decisions.

The 4 principles of Solares - SBC

01

NETWORKING

Real connections. Growing together.

02

WORLDWIDE

Globally connected. Locally rooted.

03

EXCLUSIVE

Partners, benefits and rewards.

04

FAIR & CLEAR

Transparent rules. Understandable opportunities.

Six areas. Many opportunities.

Our focus: PERGENT. Followed by Energy & Storage and Crowdinvest, complemented by further product categories.

MARKETING, AI & STAFF

PERGENT: your personal Business Operating System for marketing, AI and digital staff.

ENERGY & STORAGE

PV, storage and EV chargers: purchase or hire purchase. Currently Austria.

CROWDINVEST

Interesting projects and participation opportunities for club members.

BUSINESS & CARDS

Company formation, ongoing support, virtual and physical cards.

HEALTH & LIFESTYLE

Supplements, therapy devices, cosmetics, training and workshops.

PROPERTY & TRAVEL

Purchase, hire purchase, eco-projects, holiday homes and travel at club rates.

Authoritative sources: Store, Cockpit and the current compensation schedule.

MARKETING, AI & STAFF

3-PART SOLARVERSE INVEST ALBUM

Easy Start

The quickest way: refer, sell and build your team!

You recommend a product. Someone purchases through your personal link. You receive your commission – generally in real time, directly into your wallet.

EASY TO EXPLAIN

Show the product. Share the link. Done.

MORE ON SELECTED PRODUCTS

Current rates in the Cockpit.

So neither you nor your team will be surprised.

IT TAKES WORK

Commissions come from real sales. Without conversations, follow-up and reliability, nothing happens.

MAINTAIN ACTIVE STATUS

If you become inactive, you lose your ScopePlan position. Treat activity as an investment in your business.

CRYPTO IS PART OF IT

Wallets, USDC and cards are part of the system.

PARTNERS ARE INDEPENDENT

Solares is not liable for Premium Partners' products or delivery performance.

TAXES ARE YOUR RESPONSIBILITY

Commissions must be taxed in the relevant country. Clarify this in advance.

MAKE NO PROMISES

No income promises, return guarantees or investment advice.

Professional integrity is not an obstacle. It is your competitive advantage.

Five successful conversations are the entire mission.

THE PARTNER TOOL

“Everything starts with the Success List. Every name can be worth at least EUR 1,000.”

Start with at least 150 names as the foundation of your business.

Use the simple NETSOL system and pass it on to your TEAM.

NETSOL planning figure – not an earnings promise.

NETSOL. No list, no business.

The most common reason for stalled progress is not a lack of interest – it is forgotten follow-up.

DASHBOARD

Overview of goals and open actions.

SUCCESS LIST

At least 150 names as your raw material.

RECORDS

History, notes and agreements.

ACTIVITY

What is due today and what remains unfinished.

STATISTICS

Conversations → appointments → customers.

MATERIAL

Links and documents in one place.

Beta phase: data is currently stored locally in your own browser or device.

Six steps – in this order.

01 REGISTER
